

Greetings:

Jr. Buccaneer Youth Football, Inc. is a non-profit organization which provides the opportunity for nearly 200 boys and girls to not only participate in an athletic program, but to also learn the importance of teamwork and to develop leadership skills that will help them far beyond the football season.

The Jr. Buccaneers Youth Football Organization is financed by registration fees, donations, and sponsorships. This organization does not receive Federal or State support and is operated entirely by volunteers. The Jr. Buccaneers Youth Football Organization, inc. is a 501(c) (3) organization and all sponsorships, donations, and gifts are tax deductible.

The biggest challenge of this organization is the high cost of equipment, uniforms and maintaining a safe & adequate field; as well as expanding our programs to reach an even greater number of children. In order to make this program as successful as possible we need help from the community, local businesses, friends and neighbors. If you or your company is interested in helping us have a successful season, please consider becoming one of the following:
